

RV QUICKSHADES

Inside Mount Windshield Shades

- Easy installation – no drilling or ladders
- You can see out, they can't see in
- Blocks up to 80% of harmful UV rays

RV Quick Shades mount on the inside of the windshield in less than a minute. Constructed of 100% Textilene, a woven polyester mesh fabric coated with PVC, these solar shades block up to 80% of harmful UV rays & heat.
